

Opening Prayer
Iowa Senate and House of Representatives
February 19, 2013

Prayer –

O God,

We thank you for the generosity with which you have endowed the hearts of these senators (representatives) inspiring them to serve for the sake of the common good of their fellow Iowans.

Transform their generosity into a spirit that seeks to build a society, united in commitment, which guarantees our country's founders' vision as an entitlement for each of our fellow citizens, namely – life, liberty and the pursuit of happiness.

Amen
