Living our Catholic Faith in the World  
October 2022 Edition

**October 20 PCL Connect/CLADD Professional Formation Session with special guests Deacon Matt Halbach and Steve Botsford from Sadlier Religion – Dipping Our Toes Into Digital Formation:**

Deacon Matt and Steve produce and host the popular series [Catechist Stream](#) and will be joining us to help us consider how to engage all groups within lifelong formation with the right digital formation tools.

Within lifelong formation in faith, participants arrive to your sessions with experience using computers, phones, and tablets to consume and create a variety of media. Our challenge as catechetical leaders is to find and utilize the best tools to help you integrate into your formation strategy whether you or your participants are

digital natives (those born into the digital age) or digital immigrants (those who learned to use technology at some point in their adult life).

We will have two satellite locations for this session: St. Mary parish in Shenandoah and Assumption parish in Granger. The Diocese will provide morning hospitality and the parish hosts will serve lunch. See the attached flyer.

Please RSVP to Sherri Simmer at [ssimmer@dmdiocese.org](mailto:ssimmer@dmdiocese.org).

Our November session will be held on the 10<sup>th</sup> and 17<sup>th</sup> with Paulette Chapman. The topic is Dipping Our Toes Into Family Faith Formation.

**National Eucharistic Revival Update:**

Sparked by the Holy Spirit and fueled by grassroots efforts, a fire is beginning to sweep our nation! Catholics of all ages and backgrounds are embracing an invitation from Jesus Christ himself—to return to the source and summit of our faith in the

Holy Eucharist. Below are some updates that will help you in your parish community lean into this foundational initiative of the USCCB.

### Leader's Playbook

We are pleased to share the USCCB's new Leader's Playbook. The focus of this first year of the Revival is on engaging leaders, and this Playbook offers the "Why" and the "How" of the Revival, along with some practical suggestions about "What" might happen as well. But above all, it is an invitation to evangelical discernment for engaging any ministry or apostolic activity with a Eucharistic mindset. You may download [it here](#).

### Resources around the Four Pillars of the Revival

Also now available for [free download](#) are resources inspired and connected to the pillars of the Revival:

1. Personal Encounters
2. Reinvigorating Devotions
3. Deepening Formation
4. Missionary Sending

These resources will be continually updated and archived for your use.

### Charitable Opportunity:

Sister Rosehellen Karwirwa came to Des Moines from Kenya in 2007 for the ordination of her cousin Father Lazarus Kirigia. She said she'd be back.

Indeed, she did come back from Kenya in 2013 with three other Nazareth Sisters of the Annunciation with one purpose: To work in Iowa to raise funds to help support the sisters back home in caring for the poorest of the poor in Kenya.

Currently, the four Iowa sisters are working through a 501c3 organization established here in Iowa to help them build a medical clinic in Tunyai, a rural community located a long distance from the closest hospital. The current open-air clinic has no walls and no roof.

A local architect estimates the cost of building a structure for the clinic to be \$62,000. They've already raised \$46,000. I invite you to consider this charitable effort for a group fundraiser to help put the sisters over the top for their goal. For questions about the project, for pictures or for more information on how you can help, please contact Steve Craig at [Steven.Craig@unitypoint.org](mailto:Steven.Craig@unitypoint.org). Thank you for considering this opportunity as we begin this new year in catechetical ministry.
