

# Fostering Love at Home

*An Advent Practice for Families*

1. **Print** these ideas for acts of love in the family (the first two pages are for older kids and adults, the last two pages are for little kids). Have the kids help **cut the papers into strips**.
2. **Place the strips in a dish or basket** in a central location in your house where everyone will see them frequently.
3. **Encourage all family members to randomly draw out a slip of paper whenever they want** throughout the day. They should read it and try to **do the act of love** as soon as they have the opportunity.
4. **Once** the act of love has been **completed** (maybe you put it in your pocket until you can do it!) **the slip of paper can be placed** in either
  - A wrapped **gift box**
  - Or an **empty manger** (print on yellow paper? Or have a small basket of actual straw near the manger)
5. **On Christmas**, start your gift exchange or your reading of the Christmas story by
  - **Presenting Jesus with the first gift** (the gift box full of acts of love done by your family)
  - **Or placing a figure of Baby Jesus in the manger** (softened by your family's acts of love)
