

This is an easy project that is super kid-friendly. It will get your whole family living the Works of Mercy, and inspire your neighbors to do the same!

1. Find your local food pantry’s location, the hours they accept donations, & what they accept.
2. Print the door-hangers (you’ll need these for your neighbors, so print as many as you plan on handing out.)
3. Cut out the door-hangers (2 to a sheet).
4. Fill in: the day/time you’ll pick up donations and your local food pantry’s info. (Kids can color the market awning at the top.) Sign the bottom so your neighbors know who’s doing the collection.

*\*Note: give people enough notice, but not so much time they’ll forget -- 2-3 days seems ideal.*

5. Distribute the door-hangers with an empty grocery bag.
6. Print, cut out, and sign the thank-you door-hangers.
7. Collect donations and place the thank-you door-hangers.
8. Deliver the donations to your food pantry. (If you’re expecting a large donation, consider giving them advance notice.)
