

"Hiding the Alleluia" Activity for Kids

Explain: Lent is a special, quiet time of preparation for celebrating Jesus' dying and rising from the dead at Easter. We prepare by spending time with Jesus and trying to be like him. To remind us to prepare, at church we do not sing or say the joyful praise word "Alleluia." On Easter Sunday we sing "Alleluia" with extra joy to celebrate Jesus rising from the dead.

Activity: Print these pages. Color and cut out your "Alleluias". Place them in an envelope and hide them on or before Ash Wednesday. Look for the hidden "Alleluia" on Easter morning and display as part of your Easter celebration!
