

Blessing for Assistive Aids for Persons with Disabilities.

Prayer for parish priest to pray over any materials used to make liturgies or formation more accessible, or even over parishioners' specific devices/aids that help them manage their disabilities.

Creator God,
you give us all good things.
You know our needs and fulfill our desires.
You protect us when we are fragile
and give us courage for each new day.
You give us strength when we are weak
and humility when we are boastful.

Bless this new (name of aid: e.g., cane, hearing aid, ramp, shower rail)
and he/she who will use it.

May it open up a world of possibilities.
May it bring friends and family to gatherings,
so that we may share the divine love that is in our midst.

May we never take for granted any of your gifts,
especially the gift of each other.
We ask this through Christ our Lord.
Amen.
