Meet Pat Ryan, an administrator at Saint Albert Catholic School. Ryan, a 2000 graduate of Saint Albert Catholic School, earned a Bachelor's Degree in Elementary Education from Briar Cliff College and a Master's Degree in Administration from Creighton University.

This is Ryan's sixteenth year at Saint Albert who prior to joining the leadership team, served as a classroom teacher. As the Director of Curriculum/Principal, he is responsible for student behavior and working with the Director of Academics to ensure the successful integration of scope and sequenced curriculum.

"Catholic education, especially at St. Albert School, allows the community to watch our students grow in faith, morals and academics," declared Ryan. "It is truly a blessing to be part of that process from cradle to college."

Ryan and his wife Nora are parents to a third-grader at Saint Albert and are parishioners at Saint Patrick Catholic Church in Council Bluffs. When he is not at school, Ryan enjoys fishing, family vacations, and coaching football.
