STUDENT PERSONNEL

Admissions

It shall be the policy of the Diocesan Catholic Schools Office, under the aegis of the Bishop, that students who are admitted to a Catholic school agree to abide by the philosophy and the educational policies and regulations of the school and the Diocese. This agreement shall be indicated through signature of parent and student on the Handbook Signature Page.

Before admitting a transfer student, the school shall contact (call) the administrator of the prior school. This call serves multiple purposes. First, this call allows the receiving school to ascertain why the family wishes to transfer and to become aware of any issues with the student or family that the receiving school will need to be aware of. The call allows the school to determine whether it can meet the student’s needs. This call is also to determine if there is back tuition owed to the school. If there is outstanding tuition due, the student may not be enrolled in the new school until the past due amount is paid in full.

In the event an application to a Diocesan school should be made by a student expelled from another school a careful investigation must be made by the school administrator. A team will review each enrollment request to determine if enrollment will be accepted if the student has been expelled. If a student who was expelled from another school is admitted, the enrollment may be probationary at the discretion of the administrator.
