Annual Progress Report

All schools shall meet the mandated requirements of the Annual Progress Report. The Schools Office shall assist the schools in the preparation of their APR.

The APR shall be furnished to the Iowa Department of Education, the local AEA and the Schools Office. In addition, the school must report annually to the local community (school and parish) on the progress made on state indicators and any locally determined indicators. (IAC 281.12.8(3))

Regulation Adopted: March 17, 2003
