

Catholic Education

Inspired by a Caring, Committed,
Faithful Community

Good and Gracious God,

Thank you for offering us this opportunity to work with you and one another in the ongoing task of furthering the mission and ministry of the Diocese of Des Moines' Catholic schools. Please help us to be open to your Holy Spirit speaking through one another as you reveal new opportunities and areas for expansion and development.

Lord, you are our source of courage and strength as we desire to make wise decisions, based on best practices that will not only grow and flourish this ministry of Catholic education, but also offer great opportunity and provision for all those involved in the education of our families.
