The Stewardship of Giving

God calls us to be generous with all our gifts, including our treasure. In gratitude we are called to give to God from our first fruits. By having a plan, we can better share our gifts.

On this form you see the opportunities that are available for your to share your gifts.

Offertory - supporting your parish's mission and ministries

Annual Diocesan Appeal allows for the parishes to support the Bishop and the offices that support each of our parishes. We humbly ask that each parishioner take part in this vital Appeal.

Second Collections are Diocesan and USCB opportunities to support the priorities of the pope and bishops. As an individual or family you may decide which of these speaks to your heart and to what extent you would like to support them.

You can find each one on the Diocesan website: https://www.dmdiocese.org/giving/diocesan-special-collections

Please know that any sacrifice you give, given from your heart, is received with humble gratitude and appreciation.
