

March 2022 – Technology Security Tips

Cyber Liability Insurance Questions

You should have received an email from Emily Hoffman on February 17th explaining some about our cyber liability group insurance application, along with an attachment with technology-related questions. Please be sure to engage you IT consultant, if you have one, to get the questionnaire filled out and returned to [Greg Miller](#) by March 21st.

Computer Disposal Tips

Whether your church or school has a planned computer replacement schedule or you use your devices until they die a natural death, there is some helpful advice to make sure your computer is “secured” before donating it or disposing of it. Please click [here](#) for more information.
